

**SERVING OUR
 NEIGHBORS IN NEED
 SINCE 1904.**

The St. Vincent de Paul Society of St. Joseph County serves people in poverty in Northern Indiana. Our programs are intended to relieve emergencies, to provide support, and to encourage self-sufficiency.

We believe in joining together our staff, volunteers, donors, and partners to tackle poverty in our community. Together, we work to empower those we serve to help them move from a state of food and housing insecurity to a state of self-sufficiency and success.
